Resolution of Respect

1. I will seek to gain understanding of those who are different from myself.
2. I will speak out against prejudice and discrimination.
3. I will reach out to support those who are targets of hate.
4. I will promote respect for people and help foster a prejudice-free school.

I believe that one person can make a difference—no person can be an “innocent” bystander when it comes to opposing hate.

This initiative is designed to create inclusive communities and empower schools to challenge all forms of bigotry. By participating in No Place for Hate, your school community has the opportunity to create a safer learning environment, promote unity and respect, and reduce bullying, name-calling, and other expressions of bias.

4 Steps to Join the Movement

1. Register
   Visit the Anti-Defamation League (ADL) website to register online and provide a list of your No Place for Hate Committee Members who will plan, coordinate, and oversee the school’s anti-bias projects. Suggested committee members include students, educators and staff, administrators, family members and community leaders that reflect the diversity of the school community.

2. Sign the Resolution/Promise of Respect
   Have a majority of your school community sign the Resolution of Respect (for Middle and High Schools) or the No Place for Hate Pledge (for Elementary Schools), affirming a commitment to promoting respect and challenging bullying.

3. Complete at least 3 Activities throughout the year
   When a project is complete, fill out the online activity form and collect supplemental material (press releases, articles, photos, videos, etc.)

4. Receive a No Place for Hate banner from ADL
   Upon completion of all requirements, you will receive a customized banner designating your school as No Place for Hate. Congratulations!
